

How much is over scheduling costing you?

IT COULD BE A LOT MORE THAN YOU THINK

Don't waste your organization's precious resources. SchedulePro's advanced algorithms identify workforce inefficiencies allowing you to easily deploy personnel to where they are needed.

Lead your organization's workforce strategy with SchedulePro. Our powerful tools and easy to use interface give you the information you need to focus on making decisions for your organization. Need additional coverage to meet increased demand? Put the staffing level decisions into action with a click of a button and let SchedulePro automatically find the right people for the job.

OTHER SOLUTIONS

- SchedulePro Enterprise edition
- SchedulePro Standard edition

SchedulePro is also available in Windows based editions. These client-server based packages are ideal for organizations looking to run their software locally.

agility to respond to today's fast changing environment

SIMPLIFY SCHEDULING

SchedulePro's industry leading algorithms automatically schedule full time, part time and casual employees.

MULTIPLE SITES

Schedule multiple departments, wards or units from a single place. Staff can be shared across sites.

MANAGEMENT REPORTING

Gain insight into your workforce with a wide range of ready made reports. Avoid timecards with payroll ready reports.

REPLACEMENT EMPLOYEES

Quickly find replacement employees following union rules when somebody is sick. Shift refusal is tracked.

IDENTIFY INEFFICIENCIES

No more under or over staffed shifts. Save money and provide service consistency. SchedulePro more than pays for itself in savings.

30 DAY FREE TRIAL

Try SchedulePro 100% risk free. We're confident that you will be satisfied.

WEB SOLUTION

Access SchedulePro from anywhere, anytime and on any computer (Windows PC or Mac). Employees can access their schedules online. Create schedules and process employee requests when and where it works for you.

STREAMLINED WORKFLOW

No more lost post it notes. Employees can request time off, trade shifts and bid on open shifts directly online. All requests are tracked for manager approval.

HOSTED SERVICE

SchedulePro Web is hosted on our secure servers. Get started instantly at our website with no new hardware or software to install.
